

Serlby Park Academy Disability Equality Scheme and Accessibility Action Plan

The Academy is committed to ensuring equal treatment of all its children, employees and any others involved in the school community, with any form of disability and will ensure that people with disabilities are not treated less favourably in any procedures, practices and service delivery.

We aim to develop a culture of inclusion and diversity in which people with disabilities are able to participate fully in school life. The achievement of children with disabilities will be monitored and this data will be used to raise standards and ensure inclusive teaching. Reasonable adjustments will be made to make sure that the whole school environment is as accessible as possible. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit the school. This scheme should be read in conjunction with our school policy: Equality Policy.

Definition of disability

The Disability Discrimination Act 2005 (DDA) defines a disabled person as someone who has 'a physical or mental impairment which has a substantial or long-term adverse effect on his or her ability to carry out normal day-to-day activities'.

- The DDA 2005 has also extended the definition of disability as follows: People with HIV, multiple sclerosis and cancer (although not all cancers) are deemed disabled before they experience the long-term and substantial adverse effect on their activities.
- Section 18 has been amended so that individuals with a mental illness no longer have to demonstrate that it is "clinically well-recognised", although the person must still demonstrate a long-term and substantial adverse effect on his/her ability to carry out normal day-to-day activities.

Definition of special educational needs

In this plan, 'special educational needs' refers to a learning difficulty that requires special educational provision.

The SEND Code of Practice 0 to 25 Years (DfE, Jan 2015) says children have a learning difficulty or disability if they:

- have significantly greater difficulty in learning than the majority of children of the same age; or
- have a disability which prevents or hinders them from making use of facilities of a kind generally provided for children of the same age in mainstream schools or post-16 institutions; and
- are under compulsory school age and are likely to fall within either of the definitions above when they reach compulsory school age or would do so if special educational provision was not made for them.

Children must not be regarded as having a learning difficulty solely because the language or form of language of their home is different from the language in which they will be taught.

Disability is a term defined under the Equality Act 2010 as a physical or mental impairment which has an substantial adverse long-term effect on the individual's ability to carry out normal day to day activities.

Definition of special educational provision

For children aged two years or older, this is educational provision additional to, or otherwise different from, the educational provision normally available to pupils of the same age.

Serlby Park Academy has adopted this accessibility plan in line with the school's **special educational needs policy** with the aim of ensuring that our school is socially and academically inclusive, that all pupils have access to a full curriculum, and that all pupils are appropriately challenged.

Our **special educational needs policy** outlines the school's provision for supporting pupils with special educational needs and disabilities (SEND), and the school's **publication of equality information and objectives** explains how we ensure equal opportunities for all our students, increased access to the curriculum, physical access to the school and access to information particular to students with SEND. This accessibility plan provides an outline of how the school will manage this part of the SEND provision.

Please refer to our **special educational needs policy** for an outline of our full provision to support pupils with SEND.

General Duties

We will actively seek to:

- Promote equality of opportunity between people with disabilities and other persons. Eliminate discrimination that is unlawful under the Act.
- Eliminate harassment of people with disabilities that is related to their disabilities.
- Promote positive attitudes towards people with disabilities.
- Encourage participation by people with disabilities in public life. It is also important to respect the wishes of children with disabilities so that they do not feel pushed into activities they do not wish to take part in.
- Increase the extent to which disabled pupils can participate in the curriculum. Teaching Assistants will be trained in use of lifting and handling to ensure all disabled pupils are fully integrated into the curriculum. Training will be updated regularly.

- Improve the physical environment so disabled pupils can take better advantage of education through 'reasonable adjustments'
- Ensure that all teaching staff and governors are fully aware that they have a responsibility to make reasonable adjustments to enable pupils with SEND to access the curriculum and achieve their full potential.
- Serlby Park Academy will consult with the local education authority to meet this duty through the provision of specialist support and advice and where appropriate by making physical adjustments to the fabric of the school.

Specific Duty

The production of this disability equality scheme provides a framework for integrating disability equality into all aspects of school life. The specific actions currently being taken include:

<p>Involvement of people with disabilities in developing the scheme</p>	<p>Serlby Park Academy will consult with children with disabilities, staff and service users in the ongoing development of the Disability Equality Scheme by:</p> <ul style="list-style-type: none"> • Learning Plans and Annual Reviews with SEN children/parents • Analysis of available school disability data • Analysis of a range of Local Authority/Specialist Organisations reports which examined the experiences of children with disabilities • Meeting with parents at parents evenings
<p>Developing a voice for children, staff and parents/carers with disabilities</p>	<p>Serlby Park Academy is developing opportunities for children with disabilities, staff and parents/carers by:</p> <ul style="list-style-type: none"> • Including children and parents/carers in review meetings • Including children and parents/carers in school questionnaires • Class teachers discussing issues regularly with children (via PSHCE and SEAL project) • Use of the School council
