

September 2018

Dear Parent/Guardian,

YEAR 11 AFTER SCHOOL STUDY PROGRAMME

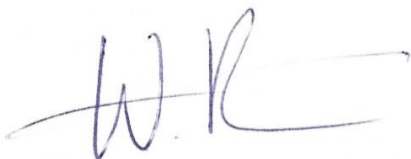

We are keen to ensure that all Year 11 pupils have every opportunity to prepare thoroughly for external examinations and complete work to the highest possible standard. We are now offering a programme of after school revision sessions, running from 2.30pm to 3.30pm over 4 afternoons, the details of which can be found below. We hope that you will see our After School Study Programme as a benefit to your child and that you will support us and encourage them to attend sessions appropriate to them.

World studies will work on a 2-week rotation to allow for those students who take two subjects within the faculty to be guaranteed pro-active revision sessions and that no one misses out.

History and French classes will run every other week, and Geography will run in two groups – these will be slightly different to the teaching groups – Mrs Belk and Mr Robinson will let your child know which group number they will be a part of. This is to allow a more targeted intervention session to suit their needs.

Please discuss the timetable with your child and ensure they attend these sessions; they will achieve more by doing so.

Yours faithfully,

Mr W Rose

Associate Vice Principal

Y11 Booster Timetable

Week 1 Week commencing: 17.09.18 01.10.18 15.10.18	Monday 2.30 – 3.30	Wednesday 2.30 – 3.30	Thursday 2.30 – 3.30	Friday 2.30 – 3.30
